THE HISTORY OF THE
CITY OF BOSTON
FROM THE FIRST SETTLEMENT
TO THE PRESENT TIME

The city of Boston, situated on a neck of land between the harbor and the bay, was first settled in 1630 by a company of Puritan emigrants from England. The city grew rapidly, and by 1690 it had become one of the largest and most important cities in the colonies. It was the seat of the Massachusetts government, and the center of the intellectual and religious life of the colony.

The city of Boston was the scene of many important events in the history of the American Revolution. It was here that the first battle of the Revolution was fought, and it was here that the Declaration of Independence was signed.
